You can contact our Customer Support hotline at 1-844-888-9998 or you can contact customer service by email at support@baneks.com.

We rely on you to regularly check the transactions history of your BANEKS Account and to contact Customer Support immediately in case you have any questions or concerns. Let Customer Support know immediately if your email address becomes compromised. Never use any functionality that allows login details or passwords to be stored by the computer or browser you are using or to be cached or otherwise recorded. Additional BANEKS products or Services you use may have

additional security requirements, as notified to you by us, and you must familiarize yourself with those requirements.

In the case of what you believe to be any incorrect or misdirected payment, please see Errors and Unauthorized Transactions below (section 4).

ii. **Duplicate Accounts**

BANEKS reserves the right to refuse the creation of duplicate accounts for the same user due to security and client identification requirements. In a case where duplicate accounts are detected, BANEKS reserves the right to close or merge these duplicate accounts without notification to you.

iii. **Verification**

If you open a BANEKS Account and use certain of the Services, law requires that we verify some of your information. You authorize BANEKS to make any inquiries we consider necessary to validate your identity, either directly or through third parties, including checking commercial databases or credit reports. For that we may ask for credit header check together with bank account ownership verification. If credit header check fails, we request certified photo ID. This is sufficient if bank account ownership is also verified.

BANEKS reserves the right to access various government and private databases so as to verify your information. If certain databases provide a match to the information you provide then we may not have to ask for photographic evidence of your identity. BANEKS reserves the right to close, suspend, or limit access to your BANEKS Account and/or the Services in the event we are unable to obtain or verify this information.

B. Uploading Money

You may upload money in supported currencies into your BANEKS Account in order to (i) convert the currency, (ii) send it to another person or to your own account or (iii) hold a balance in your BANEKS Account for use later.

You can upload money through one or more methods, for example, a pre-authorized direct debit via electronic funds transfer (“EFT”) or a wire transfer from your bank account, or with a credit or debit card. The number of methods available to you will depend on a number of factors including your verification status with us. Upload methods are not part of our Services, they are services provided by third parties. We cannot guarantee the use of any particular upload method and may change or stop offering a particular upload method at any time without notice to you.

We will credit your BANEKS Account once we have received your money, and are not responsible for the money you have uploaded until we have received them. For some particular upload methods, we will credit the money to your BANEKS Account as soon as possible subject to our right of reversal. This means if the actual amount you intended to upload does not reach us within a reasonable time, we may deduct such amount from your BANEKS Account. If you do not have enough money in your BANEKS Account for this purpose, we can demand repayment from you using other methods..

i. **Upload Money by Pre-Authorized Direct Debit**

If you choose to upload money using our pre-authorized direct debit feature to directly debit your bank account, you will need to provide, or we will receive through bank log-in information provided by you, your bank account details, including your bank account number and routing number. When you choose to upload money using our pre-authorized direct debit feature and provide your bank account details, you confirm that your bank account details are correct, that you are authorized to access and transmit funds from your bank account, that you have sufficient funds in your account for the upload, that your bank account is in good standing with the account-holding financial institution, and that you have the authority to initiate an electronic funds transfer in the amount at issue to or from your bank account. Your authorization shall remain in effect for each transaction unless canceled in accordance with this Customer Agreement, in which case, we will promptly return the deposit to the account from which it originated, assuming the money is not yet received by BANEKS. In the event that we are unable to return the deposit, then we will promptly contact you using the most current contact information provided to us by you through your BANEKS Account registration.

ii. **Upload Money by Debit or Credit Card**

If you choose to upload money via debit or credit card, you will need to provide your card details, including your card number and cardholder name. When you choose to upload money via debit or credit card, you confirm that your card details are correct, that you are authorized to access and transmit funds from your card account, that your card account is in good standing with the account-holding financial institution, and that you have the authority to initiate a debit or credit card payment in the amount at issue to or from your card account.

iii. **Upload Money by Wire or Electronic Funds Transfer From your Bank Account**

If you choose to upload money using an electronic funds transfer from your bank account, or the domestic wire transfer method, then your transaction order will remain inactive until we receive your funds to our specified account. Such payments must be made to our specified account via an electronic funds transfer or domestic wire transfer. In cases where for any reason the upload transaction is cancelled or refused, then we will promptly return the deposit to your bank account from which the transaction originated. In the event that we are unable to return the deposit, then we will promptly contact you using the most current contact information provided to us by you through your BANEKS registration.

iv. **Upload Money by Wire or Electronic Funds Transfer From your Bank Account**

No other payment methods are accepted, including cash, mailed check, or electronic check. There may be financial limits for particular

payment methods or currencies, please visit the FAQ for more information. If you selected an upload method which gives you reversal and chargeback rights (for example in relation to your credit card, you may ask your card provider to reverse a transaction on your card) please see Reversals and Chargebacks below (section 4).

For legal and security reasons, we may impose limits on how much you can upload into your BANEKS Account.

C. Receiving Money from Third Parties

In certain currencies, we may provide to you specified bank account details that you can in turn provide to third parties so that they can send money to your BANEKS Account using either the electronic funds transfer method, or the domestic wire transfer method. These account details are offered by our third-party banking partners. These specified bank account details that we provide to you in order for you to receive funds from third parties are for accounts held by BANEKS and its affiliates (and we will credit your BANEKS Account, which is held by us, upon receipt of such funds), and are not for a bank account held by you.

When someone sends money to your BANEKS Account using a method that we support, the money will appear in your BANEKS Account. You should check the incoming funds in your BANEKS Account against your own records regularly and let us know if there are any irregularities. When you receive funds you can accept them as-is and maintain a balance in your BANEKS Account in that currency or accept them and then convert it to another currency, and hold that currency or send it to your or a third party's account. If you choose to receive money using this method, you will not have access to such funds until we receive the funds into our specified account.

You acknowledge that the money received in your BANEKS Account via this method may be subject to Reversal or Chargeback and you agree that we may deduct the received amount from your BANEKS Account if it is reversed by the person who paid you the received amount or any relevant payment services provider. In cases for any reason the transaction is cancelled or refused, then we will promptly return the deposit to the bank account from which the transaction originated. See further details in the Negative Account Balances section. In the event that we are unable to return the deposit, then we will promptly contact you using the most current contact information provided to us when you registered for your BANEKS Account.

If you provide the account details we provide to you to a third party, you agree that you will not impose a surcharge or any other fee solely for accepting payment through a Service offered by BANEKS. You are not permitted to receive payments by other payment methods, including cash, mailed check, or electronic check. There may be financial limits for particular payment methods or currencies, please visit the FAQ section for more information.

D. Holding A Balance in your BANEKS Account

- i. BANEKS is not a bank and your BANEKS Account is not a bank account.**

BANEKS is not a bank and therefore value held as a balance in your BANEKS Account represents an unsecured claim against BANEKS and is not insured by the Canada Deposit Insurance Corporation (CDIC) or any other deposit protection scheme. BANEKS holds balances held by customers in segregated accounts for their benefit. BANEKS owns the interest or other earnings on these investments, if any. BANEKS does not use balances held by its customers for operating expenses or other corporate purposes. In addition, as discussed above, the specified bank account details that we provide to you in order for you to receive funds from third parties are for accounts held by BANEKS and its affiliates (and we will credit your BANEKS Account, which is held by us, upon receipt of such funds), and are not for a bank account held by you.

For further information on how we look after your money, please visit our FAQ page.

ii. **History of Transactions**

All of your transactions (including your balance, uploaded money, and money you have received, and/or withdrawn), including related fees and exchange rates, if applicable, are recorded in the transaction history section of your BANEKS Account.

You may access this information after you have logged into your BANEKS Account. We have allocated a transaction number to each transaction; you should quote this transaction number when communicating with us about a particular transaction.

E. Managing Your Money in Multiple Currencies

Your BANEKS Account balance may be held in certain currencies supported by BANEKS from time to time. You may hold a balance in more than one of these currencies at the same time. You are responsible for all risks associated with maintaining a BANEKS Account balance in multiple currencies. You may not manage multiple currencies for speculative trading purposes.

F. Withdrawing or Sending Money

If you have a BANEKS Account balance, you may remove it by:

- Withdrawing it by sending it to your own bank account based in Canada through electronic funds transfer or other method, depending on the currency;
- Sending it to another BANEKS customer's account in the format of Red Packet
- Receiving cash withdrawals through our cash withdrawal service. We do not provide cash withdrawal services directly, instead we help you receive cash withdrawals from another customer. You can set up your cash withdrawal order in your BANEKS Account, and other customers will be able to see your order in their BANEKS Account and deliver your cash withdrawal to you. The role of BANEKS is limited to posting offers made by customers for the delivery of cash withdrawals on the BANEKS Accounts of all customers, and moving funds from

the BANEKS Account of the customer withdrawing cash to the BANEKS Account of the customer delivering the cash withdrawal. The customers who wish to engage in such a transaction negotiate among each other their own terms and conditions. The risk that any transaction fails to be completed, or fails to be completed in accordance with the agreed terms and conditions, for any reason whatsoever, is entirely borne by the related customers, and BANEKS shall have no liability in this regard.

The number of payout methods made available to you will depend on a number of factors including your verification status with us. We cannot guarantee the use of any particular payout method and may change or stop offering a payout method at any time without notice to you, but we will ensure that you will have at least one payout method available to you unless prohibited by applicable law.

We will charge you a fee for each withdrawal or send money request. We will let you know the exact amount when you submit your request. You can also find out more information about the fees we charge on the pricing page and below in the Fees section. Payout methods are not part of our Services, they are services provided by third parties for example the bank where you or the third party recipients hold a bank account.

- **Limits on Withdrawal and Sending Money**

You agree that your BANEKS Account is subject to withdrawal and send money limits. If your withdrawal request exceeds the current limit, we may decline your request or impose additional checks or impose additional obligations or time limitations before allowing the money to be withdrawn.

- **Delay in Withdrawal**

We do not have any control over the time it may take for your or a recipient's bank or payment provider to credit and make available funds to you or your recipient once we make the funds available to you or the recipient's bank or payment provider.

We may delay a withdrawal, in certain situations, including if we need to confirm that the withdrawal has been authorized by you or if other payments to your BANEKS Account have been reversed for example, as a result of a chargeback or bank reversal (See Reversals and Chargebacks for more details).

G. Currency Exchange

We do not provide currency conversion service directly, instead, we may provide service to help you to exchange the currency with another customer. You can set up your currency exchange order in your BANEKS Account, and other customers will be able to see your order in their BANEKS account and exchange the currency with you, for example:

- You may upload money in one currency and use that balance to set up an order to exchange to another currency;
- You may take a currency exchange order from your BANEKS Account and exchange the currency with that customer who set up the order.
- The role of BANEKS is limited to posting offers made by customers for the exchange of currency on the BANEKS Accounts of all customers and moving funds from the BANEKS Account of the customer purchasing currency to the BANEKS Account of the customer selling currency. The customers who wish to engage in such a transaction negotiate among each other their own terms and conditions. The risk that any transaction fails to be completed, or fails to be completed in accordance with the agreed terms and conditions, for any reason whatsoever, is entirely borne by the related customers, and BANEKS shall have no liability in this regard.

Please note that you can only withdraw your balance in the same currency.

A service fee will apply when we perform a currency exchange. You can also find out more information about the fees we charge on the Pricing page and below in the Fees section. You must either set up a currency exchange order or take an order to exchange from your BANEKS Account and in each case the currency exchange order will be a “Fixed Source Order” which is a currency exchange order where you indicate that you wish to exchange a fixed amount of source currency (the currency you start with) in order for your recipient to receive the converted amount in a target currency.

We will only process your currency exchange order only if we hold or have received the relevant funds and the fees specified on the Pricing Page and in the Fees section below from your BANEKS Account. It is your responsibility to send us the money to fund a currency exchange order in a timely manner. We cannot be responsible for the time it takes for the money to be sent to us by your bank or payment service provider.

We reserve the right in our sole discretion to refuse any currency exchange order. Reasons for refusal may include but are not limited to an inability to match your BANEKS Account information with your bank account details, incorrect information about the recipient, or insufficient available funds. We generally will attempt to notify you of any refusal, using the contact information provided as part of your registration, stating (where possible) the reasons for such refusal and explaining how to correct any errors. However, we are not required to notify you if such notification would be unlawful.

Each currency exchange order is given a unique transaction number which is shown in the transaction history on your BANEKS Account. You should quote this transaction number when communicating with us about a particular currency exchange order.

i. **Exchange Rates Used to Exchange Currency**

You have the right to set the exchange rate when setting up a currency exchange order. We will provide the most up-to-date mid-price exchange rate for your reference.

You cannot change the exchange rate when choosing a currency exchange order to exchange, which means you agree that exchange rate.

ii. **Limits on Exchange**

We may place limits on the amount of currency you may exchange at any given time, for more information on the applicable limits, please visit our FAQ page. We may limit the amount of your exchange order consistent with our obligations under applicable law and at our discretion. If your exchange order is received by us after 5pm on a Business Day or not on a Business Day, your currency exchange order will be deemed received on the following Business Day.

iii. **Delay in exchange**

We carry out verification checks and these checks may increase the time it takes to process your currency exchange order. We cannot be responsible for any delays as a result of carrying out those checks. The completion time of your currency exchange order (i.e., the date on which funds will be available to the recipient) is notified to you on your confirmation when you complete the setup of your transaction order. You may also find further information regarding the completion time on the FAQ page.

iv. **Cancellation of your Currency Exchange Order**

You may cancel your currency exchange order for a full refund at any time before any customer takes your order. You may cancel your currency exchange order for refund with the remaining amount for exchange as long as there is no any customer in the process of completing the exchange transaction with you. However, frequent cancellations may result in our restricting your use of the Services.

You are responsible for ensuring the 3rd party payment account you provide to us are accurate. Once payments to your account have been executed by the other customers, transactions cannot be cancelled or reversed and we will not be liable in any way for any loss you suffer as a result of a transaction being carried out in accordance with your instructions.

B. Fees and Taxes

The fees for withdrawing and sending money, and currency exchange will be disclosed to you when you place an order and prior to you confirming the transaction. You may also view the fee structure on our Pricing Page. For clarity, the fees applicable to you on the Pricing Page form part of this Customer Agreement and are subject to change.

You agree to pay the relevant fees using your chosen payment method when you upload money. The fee will be charged at the time when you withdraw money or exchange currency. Our fee does not include any fees that your bank

or the recipient's bank may charge. Those fees may be deducted from money you upload into your BANEKS Account or balances in your BANEKS Account. We will not process your currency exchange order until we have received the applicable fee from you.

You are responsible for any taxes which may be applicable to payments you make or receive, and it is your responsibility to collect, report and pay the correct tax to the appropriate tax authority.

C. Closing Your BANEKS Account

i. You May Close your BANEKS Account

You may end this Customer Agreement and close your BANEKS Account at any time by contacting our Customer Support hotline 1-844-888-9998, or by email at support@baneks.com.

At the time of closure, if you still have money in your BANEKS Account, you must withdraw your money within a reasonable period of time by following the steps described Withdrawing and Sending Money above. You must not close your BANEKS Account to avoid an investigation. If you attempt to close your BANEKS Account during an investigation, we may hold your money until the investigation is fully completed. You agree that you will continue to be responsible for all obligations related to your BANEKS Account even after it is closed.

ii. BANEKS can Close your BANEKS Account

BANEKS, in its sole discretion, reserves the right to suspend or terminate this Customer Agreement and access to or use of our Websites, software, systems (including any networks and servers used to provide any of the Services) operated by us or on our behalf or some or all of the Services for any reason and at any time upon notice to you and, upon termination of this Customer Agreement, the payment to you of any unrestricted funds held in your BANEKS balance.

Reasons we may close your BANEKS Account include, but are not limited to:

- your breach of any provision of this Customer Agreement or documents referred to in this Customer Agreement;
- we are requested or directed to do so by any competent court of law, government authority or agency, or law enforcement agency;
- we have reason to believe you are in violation or breach of any applicable law or regulation; or
- we have reason to believe you are involved in any fraudulent activity, money laundering, terrorism financing or other criminal or illegal activity.

We may also suspend your BANEKS Account if it has been compromised or for other security reasons or has been used or is being used without your authorization or fraudulently. See Account Security and Privacy above for details.

If we close your BANEKS Account or terminate your use of the Services for any reason, we'll provide you with notice of our actions and make any unrestricted funds held in your BANEKS Account available for withdrawal. You are responsible for all reversals, chargebacks, fees, fines, penalties and other liability incurred by BANEKS, other BANEKS customer, or a third party, caused by or arising out of your breach of this Customer Agreement, and/or your use of the Services. You agree to reimburse BANEKS, any BANEKS customer, or any third party for any and all such liability. See Reversals and Chargebacks and Negative Account Balances.

On termination for any reason, all rights granted to you in connection with the App shall cease, you must immediately delete or remove the App from your devices. If you do not log in to your BANEKS Account for two or more years, BANEKS may close your BANEKS Account and send your BANEKS Account balance to your primary address.

H. Communications

We are required to provide certain information to you in writing. By accepting this Customer Agreement, you agree that we can communicate with you electronically either by email or by posting notices on the Website.

We may call or text message you at the telephone number(s) you have provided to us. We may place such calls or texts to (i) provide notices regarding your BANEKS Account or Account activity, (ii) investigate or prevent fraud, or (iii) collect a debt owed to us. We may share your phone number(s) with service providers with whom we contract to assist us in providing you services, but will not share your phone number(s) with third parties for their own purposes without your consent. Standard telephone minute and text charges may apply. We will not call or text you for marketing purposes.

4. Issues that May Occur

A. Reversals and Chargebacks

You are responsible for all reversals, chargebacks, claims, fees, fines, penalties and other liability incurred by BANEKS caused by or arising out of your breach of this Customer Agreement, and/or your use of the Services. You agree to reimburse BANEKS for any and all such liability. Whenever a transaction is reversed, BANEKS will refund or reverse the transaction from your BANEKS Account in the same currency as the original transaction. If your BANEKS Account balance for a particular currency is insufficient to cover the amount of a refund or reversal, BANEKS will perform a currency conversion in order to refund or reverse the transaction, subject to the exchange rate being offered by BANEKS in the applicable currencies at that time.

Payments to you may be invalidated and reversed by BANEKS if:

- Our investigation of a bank reversal finds that the transaction was fraudulent.
- BANEKS sent the payment to you in error.

- The payment was unauthorized or invalidated by the sending bank.
- You received the payment for activities that violated this Customer Agreement, the Acceptable User Policy, or any other agreement between you and BANEKS.
- BANEKS has a claim against you for the funds.

When you receive a payment, you are liable to BANEKS for the full amount of the payment sent to you plus any fees if the payment is later invalidated for any reason.

B. Negative Account Balances

If your BANEKS Account balance becomes negative for any reason, including on account of reversal or chargeback, that negative balance represents an amount you owe to BANEKS and you promise to repay the negative balance immediately without any notice from us. BANEKS may deduct amounts owed from money you upload or money you receive into your BANEKS Account. If you manage your balance in your BANEKS Account in multiple currencies, and the balance in one of the currencies becomes negative for any reason, BANEKS may set off the negative balance by using value you maintain in a different currency. BANEKS will perform a currency conversion to do this, which will be subject to the exchange rate being offered by BANEKS in the applicable currencies at that time. We may send you reminders or take such other reasonable actions to recover the negative balance from you, for example, we may use a debt collection service or take further legal actions. In order to recover negative account balances from you, we may convert the amount you owe us into Canadian dollars.

C. Errors and Unauthorized Transactions

To protect yourself from errors and unauthorized activity, you should regularly log into your BANEKS Account and review your BANEKS Account statement. BANEKS will notify you of each transaction by sending an email to your primary email address on file. You should review these transaction notifications to ensure that each transaction was authorized and accurately completed.

BANEKS will protect you from unauthorized activity and errors in your BANEKS Account. When this protection applies, BANEKS will cover you for the full amount of the unauthorized activity as long as you cooperate with us and follow the procedures described this section. Where this section requires you to notify us, please do so by contacting the customer service hotline at 1-844-888-9998 or contact customer service by email at support@baneks.com.

We will rectify any Errors that we discover. If the Error results in:

- You receiving less than the correct amount to which you were entitled, then we will credit your BANEKS Account for the difference between what you should have received and what you actually received.
- You receiving more than the correct amount to which you were entitled, then we will debit your BANEKS Account for the difference between what you actually received and what you should have received.

D. Currency Exchange Errors

- You paid an incorrect amount for your currency exchange order;
- BANEKS made a computational error, such as a miscalculation of the amount the recipient received;
- The amount stated in the currency exchange order receipt provided to sender was not made available to the recipient, unless the problem was caused by extraordinary circumstances outside our control; and
- Funds were made available to the recipient later than the date of availability that was disclosed to you on the currency exchange order receipt, or were not delivered, unless extraordinary circumstances outside our control caused the delay (such as actions by third parties) and we could not reasonably anticipate those circumstances, or delays resulted from fraud screenings, or were caused by requirements of the FINTRAC or similar requirements, or the transfer was made with fraudulent intent.

If you believe an Error of the type described above have occurred, and you must duly contact us in accordance with the information above, we will investigate and determine whether an error occurred within 90 days (although we typically do this within ten (10) business days) after you contact us. We will inform you of our determination within three (3) Business Days after completing our investigation.

For greater certainty, the risk that cash withdrawals or currency exchanges fail to be completed, or fail to be completed in accordance with the agreed terms and conditions, for any reason whatsoever, is entirely borne by the related customers, and BANEKS shall have no liability in this regard.

E. Account Balance Errors and Unauthorized Transactions

With regard to your BANEKS Account balance, the following are considered Errors:

- When money is either incorrectly taken from your BANEKS Account or incorrectly uploaded into your BANEKS Account, or when a transaction is incorrectly recorded in your BANEKS Account;
- You send money to a third party or withdraw money, and the incorrect amount is debited from your BANEKS Account;
- An incorrect amount is credited to your BANEKS Account;

- A transfer to or from your BANEKS Account is missing from or not properly identified in your BANEKS Account statement; and

If you believe an Error of the type described in this section have occurred, and you duly contact us in accordance with the information above, we will investigate and determine whether an error occurred within ten (10) Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question and we may, under certain circumstances, credit your BANEKS Account for the amount you think is in error, until we complete our investigation. For new BANEKS Accounts, we may take up to twenty (20) Business Days to credit your BANEKS Account for the amount you think is in error. We will tell you the results within three (3) Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

What is an Unauthorized Transaction?

An Unauthorized Transaction occurs when money is sent from your BANEKS Account balance that you did not authorize and that did not benefit you. For example, if someone steals your password, uses the password to access your BANEKS Account, and sends a payment from your BANEKS Account, an Unauthorized Transaction has occurred.

The following are not considered Unauthorized Transactions:

- If you give someone access to your BANEKS Account (by giving them your login information) and they use your BANEKS Account without your knowledge or permission. You are responsible for transactions made in this situation.
- Invalidation and reversal of a payment as a result of the actions described under Reversals and Chargebacks.

If you believe your BANEKS login information has been lost or stolen, call: 1-844-888-9998, or by email at support@baneks.com.

Tell us right away if you believe your BANEKS login information has been lost or stolen, or if you believe that transactions have been made in your BANEKS Account without your permission using your login information. You could lose all the money in your BANEKS Account. If you tell us within 60 days after we provide you your BANEKS Account statement showing transfers you did not make, you will be eligible for 100% protection for Unauthorized Transactions.
